

# Caring for Your Sundance with SunPurity Plus & @Ease

## Upon fill up:

1. Add **@ease SmartChlor System** to water and set dial
  - Set dial to #4 for 200-350 gallons
  - Set dial to #5 for 350-450 gallons
  - Set dial to #6 for 450-600 gallons
2. Add Frog Jump Start packet directly to water
3. Adjust pH as necessary with **pH Increaser or Decreaser**
4. Add specified amount of **SunPurity Plus** directly into water and run jets

## Weekly Maintenance:

1. Check Ph with **Test Strip** and adjust as necessary
2. Add specified amount of **SunPurity Plus** directly to water
3. Add 2-4 oz. (4-8 tablespoons) Of non chlorine spa shock

## As needed:

1. Add 2-6 oz. of **Water Clarifier** if water is cloudy (Opt., try 2-4 oz add. Shock 1<sup>st</sup>)
2. Add 2 oz. of **Anti-Foam** if water is foamy (Opt., try 2-4 oz add. Shock 1<sup>st</sup>)

## Every 3 Weeks:

1. Remove filters from the spa. Rinse filters thoroughly and reinstall into spa.
2. Replace **@Ease Smartchlor** cartridge
3. Add 2-4 oz of **Chlorinating Concentrate** to maintain the best water quality

## Every 3 months:

1. Remove pleated filters from the spa. Coat with **Filter Cleaner Spray** and allow filters to soak for at least 15 minutes. Rinse filters thoroughly and reinstall into spa.
2. Apply **303 Fabric Guard** to cover to protect from UV rays (Optional for added protection)
3. Replace MicroClean filter 6540-502 if applicable (780 series only)
4. Replace **@Ease Mineral Cartridge**
3. Refill spa and refer to the Upon fill up portion above
4. Every 6 months: Replace MicroClean Ultra filter 6473-164 (880/980 series only)

## Annually:

1. Replace Cleararray Bulb & clean quartz tube. (UV light sanitizer, refer to owners manual for directions, (not on Splash Brook, Echo, Paisley))
2. Replace pleated filters every year, even if they still look mostly white.

MODEL	~GALLONS SANTIZER IN OZ FOR DECONTAMINATION SUNPURITY PLUS IN OZ		
Paisley	254	6	6
Brook/Berkeley/Montclair	310	8	7
Prado/Edison/Bristol	354	9	10
Dover/Capri/Alicia/Denali	230	6	6
Chessee/Ramona/McKinley/Optima/Hamilton/Kingston/Claremont/Altamar	400	10	10
Cambria/Marin/Peyton	335	8.5	7
Cameo	370	9	10
Aspen/Maxxus	563	14.5	14

For spas 250 gallons or less, adjust all 2 oz. measurements to 1 oz.

Please note: If spa is seeing high use increase dial one level to maintain water clarity.
